# In Memoriam: To You Janet and Gary

Janet Kay Conley

Gary Dean Cheney

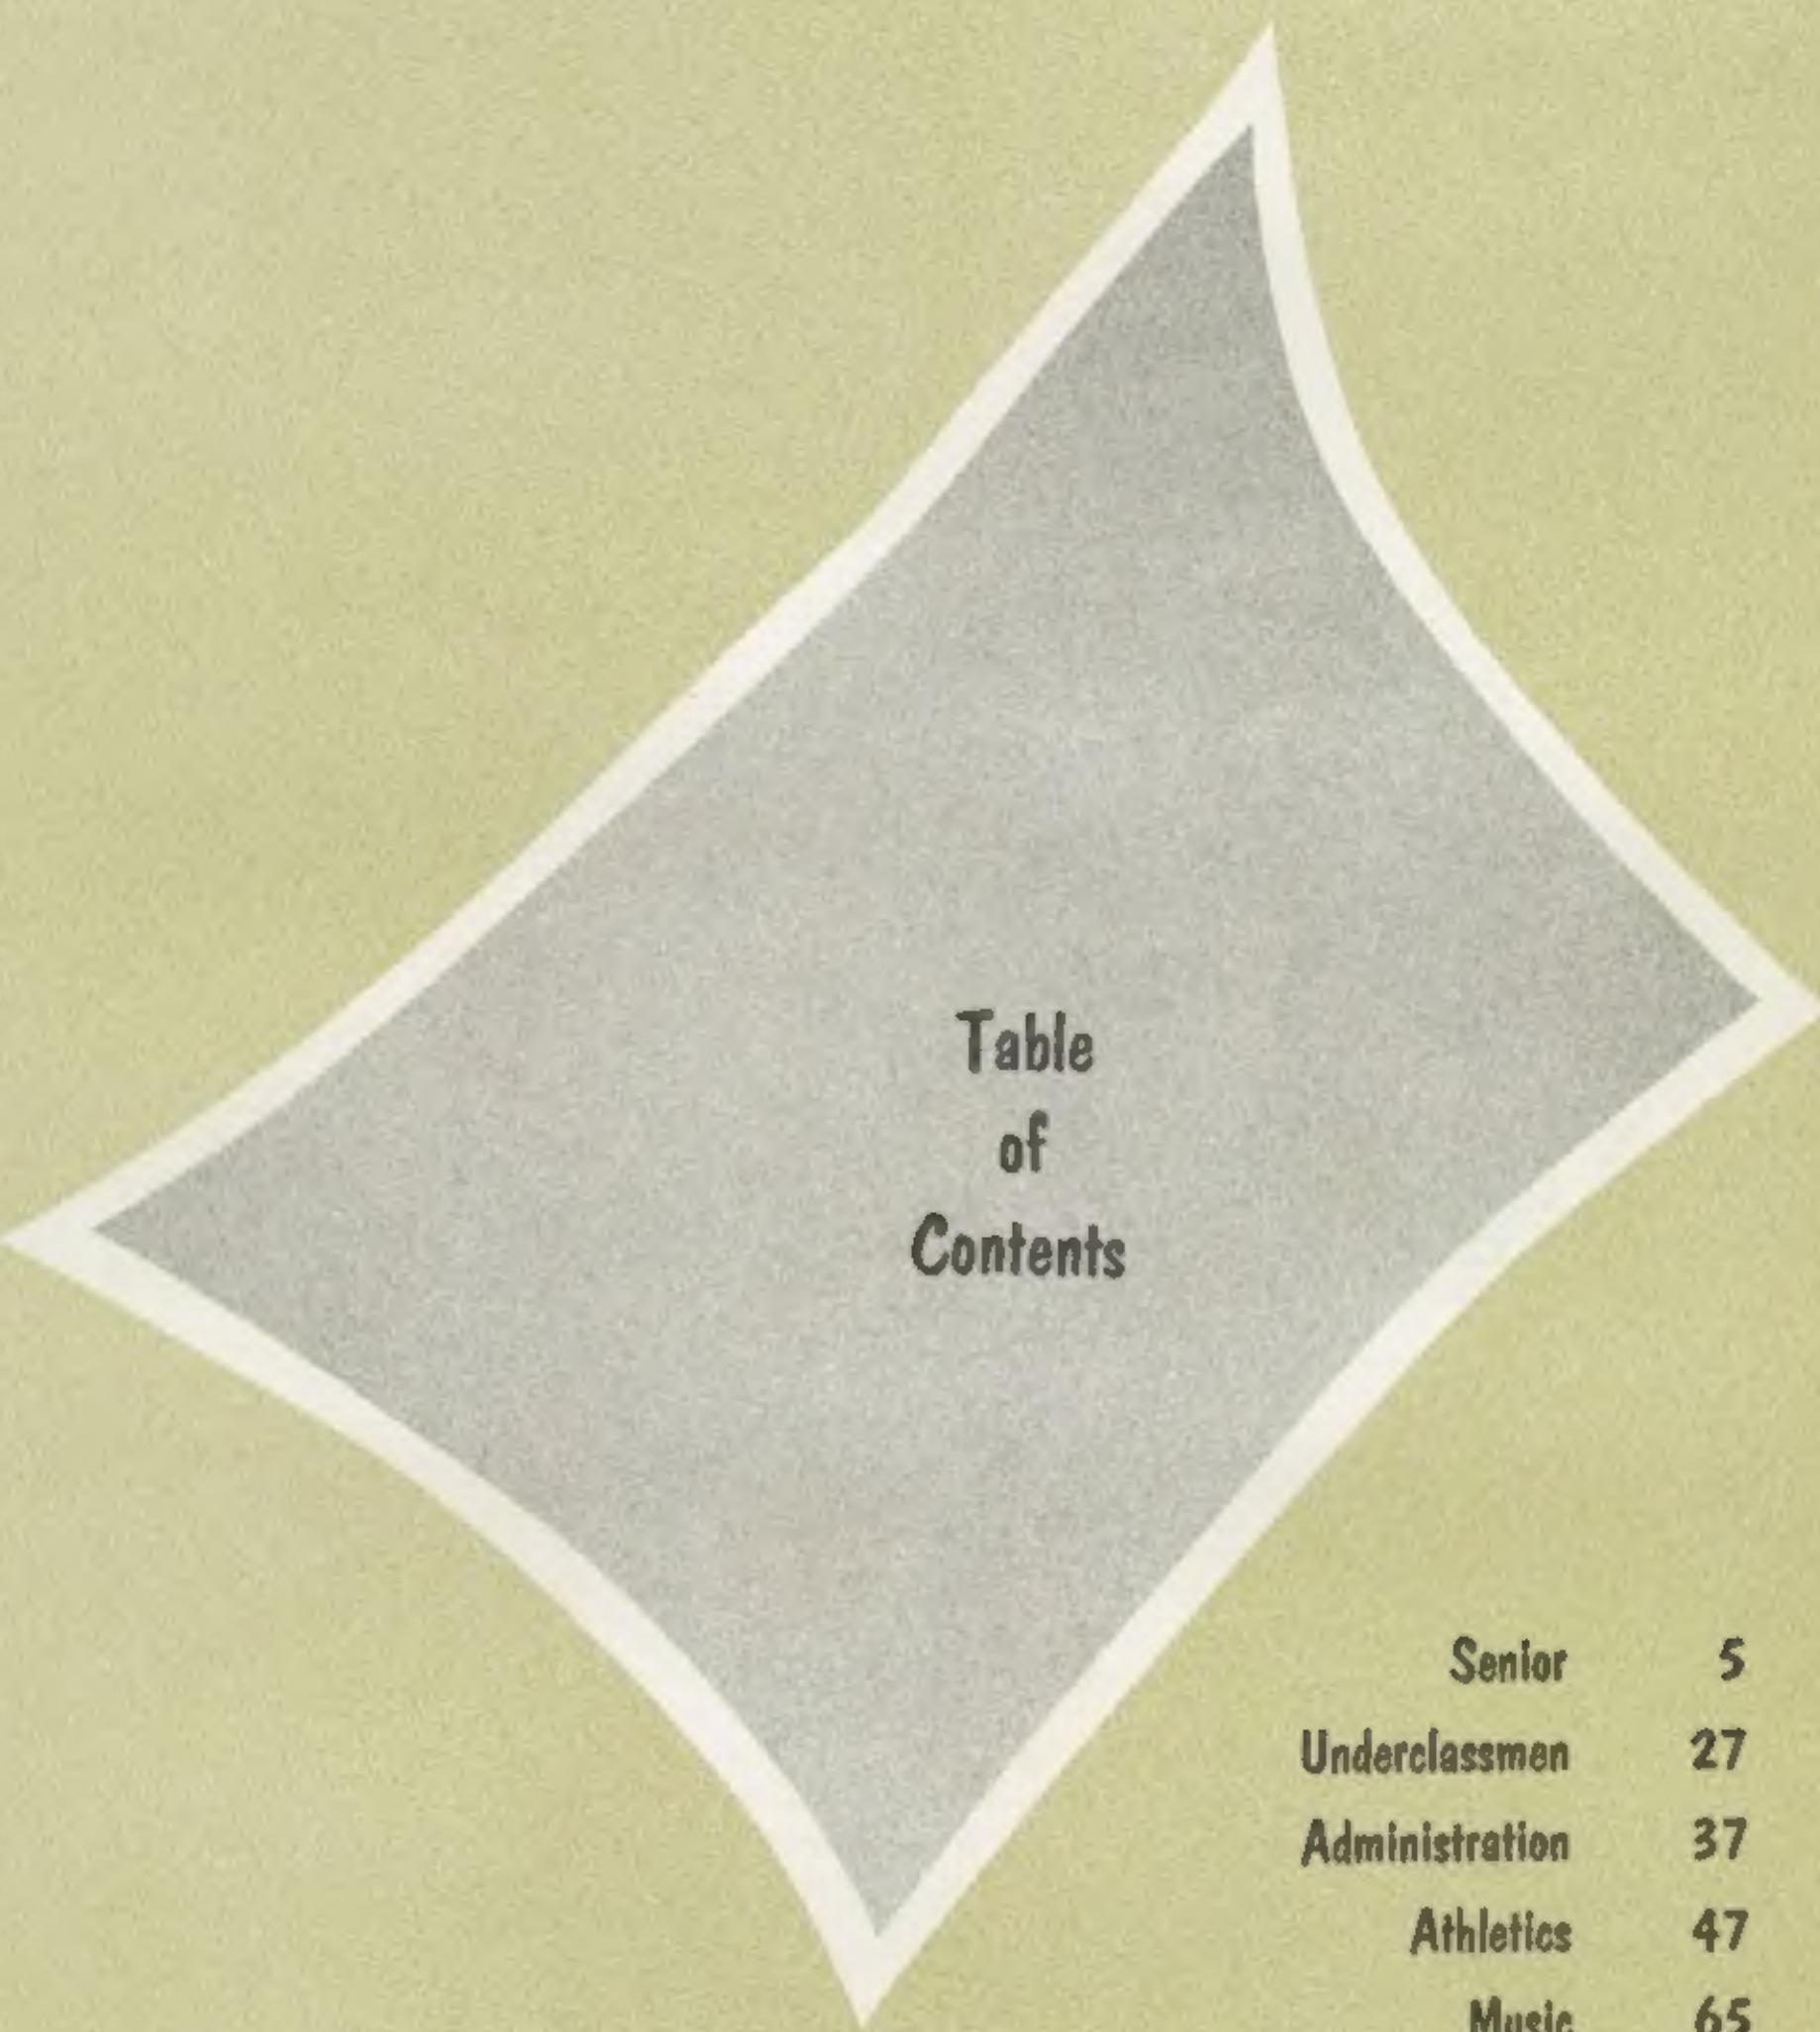

A crescent-shaped moon on the crest of a cloud  
Seals the earth in a moonlight-white shroud  
To a lonely grave my restless thoughts fly  
And I ask myself why my friend should die.

If goodness and truth are so tragically taken,  
To what plight must malice and fault be forsaken?  
For goodness and truth and worth be possessed,  
With merit and virtue and love he was blessed.

A cold wind blows from a northern land  
I touch cold marble with trembling hand . . .  
Can life itself hold so much for tomorrow  
That its going can cause such relentless sorrow?

For sadness in youth is sorrow enough;  
Grey mist to cover a world of light . . .  
But death in youth is grief without end;  
Gone the sun to eternal night.

# Board of Education

Alfred Swerlein, Neil H. Adams, Eleanor Spellerberg, President, Dr. Kenneth E. Bentler, Robert Way, Vice-President

John Downs  
Clerk of the Board

Members of the class of 1971, your educational program at Mohawk has given you the rules and the tools for what you want to be and for what you can be. Your success depends upon your wise use of what you have learned. Be master of yourself. Allow no thought nor deed to injure your mind or body. We are proud, and you should be proud, that you are a graduate of Mohawk Schools.

Best wishes for success and happiness to the graduates of 1971!

James W. Smith  
Superintendent

Graduating students - If you have provided the effort and worked to the limit of your ability during the past twelve years, then you should approach the future with confidence and without fear.

Additional learning experiences are ahead for you the remainder of your life. Each experience can be referred to as a small step up the path to a happy and successful life. Remember - when you stop learning, you stop living. If you have not taken advantage of the opportunities that have been provided, then now is the time for you to change the pattern. Your future could be cloudy but effort and ambition can overcome many of the hardships that you will face. Keep in mind that one's whole life span can be divided into two main areas-learning to live and living to learn.

Richard A. Verhoff

To the class of 1971 - Advice is the easiest thing in the world to give but - be true to yourselves. Strive for what you believe.

You have been given the basic fundamentals on which to build your future. It is now your task, through the gathering of experiences to shape the future of the nation. Build what you will - but be aware that another generation is to follow and it will be your position to explain to it what is was you attempted to do.

Sincerely,  
Fred D. Williams

My aim is threefold:

To help Mohawk High School students, through the use of various tests, orientations and interviews, to choose the subjects that will provide them with the academic background that will permit them to follow the vocation of their choice

To help young people explore the difficult fields of education, training and work for the years after graduation.

To be available for the same kind of help to young people after graduation.

To all past, present and future Mohawk students - The world of work is wide and long, do something you enjoy. Most of all be a good citizen.

Sincerely,  
Mr. D. J. West

TOURNAMENT			
Mohawk	36	Lexington	59

'Twas the night before Sunday  
And all through the gym,  
All the people were cheering  
In hopes they would win.

The players were running  
And sweating it out,  
As the cheerleaders were  
Jumping and romping about

The pep band was blasting  
The crowd clapped in time,  
Til the sturdy ol' bleachers  
Wiggled and whined

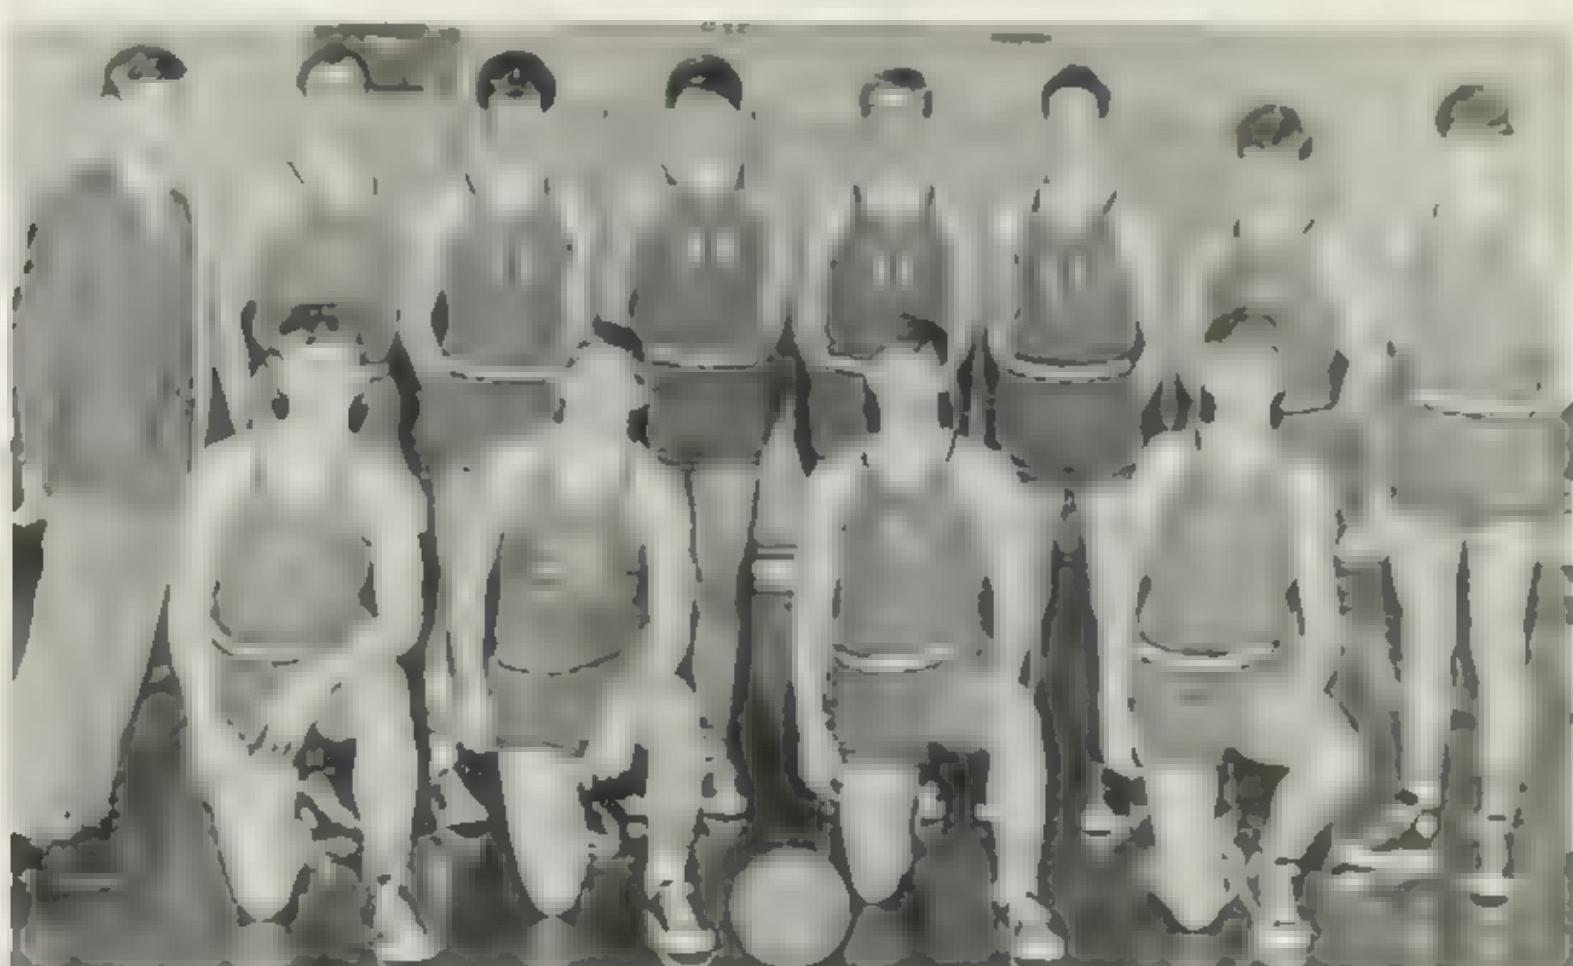

The Warriors were gaining,  
Slowly at first.  
You could tell the Chieftains  
Were getting the worst!

Coach Loader was pacing  
That rambled - on floor,  
Clenching his fists saying,  
"WE WANT MORE!"

Time low on the clock  
The game was still close,  
Yet the people still screamed  
As from the bleachers they rose

The game was all over  
The BEST had just won,  
The Warriors broke their  
Record of fifty seven by one!

The cast congregates before going on.

Ah-hal Just as I thought-  
you've forgotten the football  
signals!

Mr. Agnew, if one more misfortune befalls this classroom . . . you're fired!

Cosmos calculates the exact orbit of his spacecraft.

Hey "teach"! I vote we add a fifth R-for Romance

You can no longer fool me with words  
of love

Before showtime

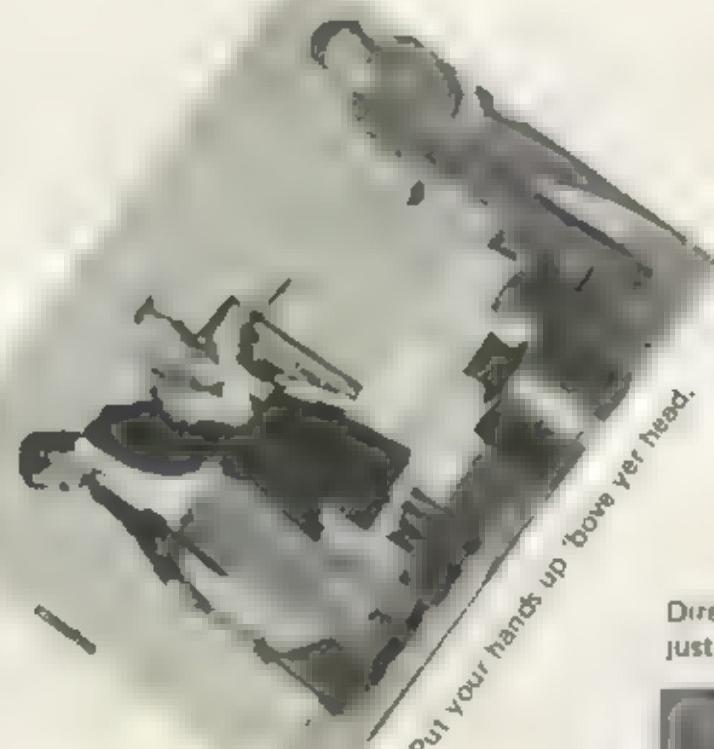

I heard it at the drugstore in Four  
Corners

# Curse of an Aching Heart

Hiram Abernathy, will you keep still?

Pul your hands up, love yer head.

Directors receive their  
just awards.

Cast graciously bows to the audience
